

CLASS - 6

SUMMER IS THE PERFECT TIME TO LET YOUR CREATIVITY ROAM FREE. CREATE WITHOUT BOUNDARIES, EMBRACE SPONTANEITY, AND LET YOUR IMAGINATION SHAPE THE WORLD AROUND YOU. BE BOLD, BE ORIGINAL, BE YOU!

Some of your best ideas come when you're on vacation. So, unlock your potential this vacation and show your creativity to Prepare your Projects / Project files according to the given instructions –

English

1. Prepare a vocabulary Book, having minimum 5 words of each alphabet and draw illustrations (pictures) wherever possible to explain the meanings. Also design a beautiful cover page for the Vocabulary Book and put a Book Mark with a motivational quote on it.

2.CREATIVE COLLABORATION: SDG 2

When did you get together with friends and family?

What is at centre while get-together?.... Food!

Sharing food not only nourishes our body but it is also the epi centre of all human relationships and bonds. There are tons of benefits of sharing food or a meal with people, It brings trust among us.

Perhaps, for this reason 'Zero Hunger' is one of the goals of sustainable development.

ACTIVITY: "Framing Culinary Memories of my Family"

Help your parents to plan a lunch for your loved ones. Help them in serving food for everyone, click pictures while having lunch with them.

And also what you did with the left over food. If you shared it with the needy ones, click the pictures of that noble work and make a collage using photos of your special LUNCH DATE with the help of your family.

3.Prepare a Wall Hanging of Synonyms (RollNo:1-10) Antonyms (Roll No.11-20) Prefix-Suffix (21-onwards). Decorate it also.

Hindi

ग्रीष्मकालीन अवकाश गृह कार्य

* सभी छात्र अपने रोल के नंबर अनुसार दिए गए विषय पर घर की अनुपयोगी वस्तुओं से हिंदी व्याकरण से संबंधित एक आकर्षक मॉडल तैयार कीजिए-

Maths

Prepare a project file on the given topics by using five A-3 size sheets according to the given instructions

- Draw neat and clean figures and use sketch pens , pencil colours , paper cuttings of the figures (don't use water colours)
- Give one cm margin in all 4 sides and colour it.
- Use stencil to write headings
- Related sentences write in good cursive handwriting or with small stencil.

(Roll No. 1 - 6)

Triangles , types of Triangles (based on sides and based on angles) , triangular objects , triangular patterns and use of triangle in real life

(Roll No. 7 - 12)

Circle , parts of circles , circular objects , circular patterns and use of circle in real life

(Roll No. 13 - 18)

Polygons , definition , types of polygons , objects made of polygons , patterns by different polygons

(Roll No. 19 - 24)

Fraction , types of fractions , equivalent fractions , paste some pictures to show fractions

(Roll No. 25 - 30)

To find LCM and HCF by using cutting and pasting method (as done in the class)

(ROLL NO. 31 - 36)

Integers , addition and subtraction on number line , addition and subtraction by cutting and pasting method (as done in the class)

Science

SDG 15-- Life on Land

The UN established UN SDG 15 –Life on Land to help protect the earth's ecosystems, promote the sustainable management of forests and put a stop to land degradation and biodiversity loss.

From Roll no (1-10)

1) The students will search about five endangered species of birds in India.

- 2) They will research and record the change in the number of these endangered species during past 5 years.
- 3) Represent the current and previous year's data in the form of bar graph.
- 4) Find and mention five reasons for the decline in number of selected endangered species

From Roll no (10-20)

Collect specimens of simple leaves, compound leaves, different types of venation and modifications of leaf from your garden or park. Paste them in rough notebooks/scrapbook to prepare a Herbarium.

From Roll no (20- Onwards)

(THEME: CLIMATE ACTION)

Create a wall hanging as shown in the picture. Take A4 size pastel sheets of five different colours and cut out the impression of your right hand. Then, write about a promise you make to increase green cover, reduce carbon-dioxide emission, reduce food wastage, save water and use energy wisely.

ACTIVITY II : MODEL MAKING (THEME: GOAL 13: CLIMATE ACTION)

Create a 3D model on 'Climate Action' using eco-friendly material or reusing the waste material available at home.

(You may have to raid your toy box for certain things). Take help from the net for images and ideas related to the topic. Do the one assigned to you in your group.

- a) Create our earth and fix it on a stand to show effects of climate change. On one side of the earth show 'Earth Before' and on the other 'Earth After'. (From Roll no 1-10)
- b) Show the causes of global warming like cutting of trees, burning of dry leaves etc. Take a cardboard of size 24x12 inches as a base. (From Roll 11-20)
- c) Show rain water harvesting being done in a society.(From Roll no 21-30)
- d) Create a model of the earth with three hearts attached to it . In each heart write one way by which we can make our earth a better place to live. (From Roll no 31 – last)

Social Science

Prepare a beautiful file on the following topics, as per your roll number. Support your file with diagrams, print outs and maps.

1to 9 Solar system

10 to 19 Globe --latitude and longitude

20 to 29 Motions of Earth

30 Onwards --India and its diversity

Computer

Design a visually appealing poster promoting "**Clean India Green India**" using Microsoft Word/ Power Point

TIPS: A vibrant illustration showcasing a clean and green landscape with lush trees, clear skies, and happy people engaging in eco-friendly activities like planting trees and recycling.

Mail the poster with your Name, Class and Section using your school Email Id to either of the following IDs latest by 15th June.

1. neerumalhotra@jkgisv.com

2. nidhisingh@jkgisv.com

Sanskrit

(Use A3 size sheet)

*संस्कृत के दिन ,महीने ,पशु ,पक्षी नाम के आधार पर एक कोलाज बनाइए।

*संस्कृत में एक कविता याद करिए।

French

Décrivez votre école et collez les photos de votre école

(Describe your school & paste the pictures of your school)
