

Sample Paper

SECTION - A (Reading)

I. Read the passage carefully and answer the questions below:

Women are wiser than men because they may know less but understand more. Today women are competing neck to neck with men in every sphere of life. They have come out of their hearth and home and are moving everywhere with their male counterparts. They can handle business, fly into space, and fly aeroplanes. There is no work that they are afraid of doing.

Women are in great demand as pilots these days. Earlier this profession was considered as an exclusive domain for men, at least in our country, but it is not the case now. The newspaper cutting proves this.

Almost all private operating in India employ women pilots. Air Deccan tops the list. The company has 40 women pilots.
