Date:05/10/2015

Experiential Learning Camp for Class VI & VII

Dear Parents,

You will be happy to know that our School is organizing a **three day** Residential Educational Camp (**EDUCATION 3.0 Experiential Learning Program**) for **Class VI & VII** from **14 Oct, 2015 to 16 Oct, 2015** at **School Premises**.

Educational 3.0 program is an experiential learning programme for **11-13 years** old. Students will perform various activities, learn new skills and acquire fresh experiences. They discover how to be independent and self-reliant, after 'roughing it up' in camp activities. By working together in a group and individually, they will learn the importance of teamwork, acquire new strengths, and become responsible individuals by pushing themselves physically and mentally. The camp will be duly supervised by school teachers and professional instructors from **Litchi**. Safety and security of the students is our prime concern hence all the necessary arrangements will be done accordingly. The students will have a joyful and enriching experience. If you are interested in sending your ward for the above mentioned camp, kindly fill in consent form and send it along with **Rs.300** latest by **Thursday, 8th Oct 2015**.

Plan of Action

- Students will create **2 projects**, which will be decided after identifying their interests mapped with their grade specific curriculum. The projects will be conducted by **EDUCATION 3.0 Experiential Learning experts** at the school premises.
- As they get a grasp on curriculum topics through various activities, they will be completing a project workbook to record their learning process along with their pictures.
- The students will be assessed by themselves, their peers and teachers, and at the end of the project each student will receive a **CCE- pattern based achievement card**.
- The items created by students as part of their projects (such as a flashlight, animation films, comic books) will be exhibited at the end of the program and parents will be invited to participate in the exhibition.
- All project activity material will be provided by the **EDUCATION 3.0 team**.
